Or worse, *someone else* will.

Join The “Catholicism” Project

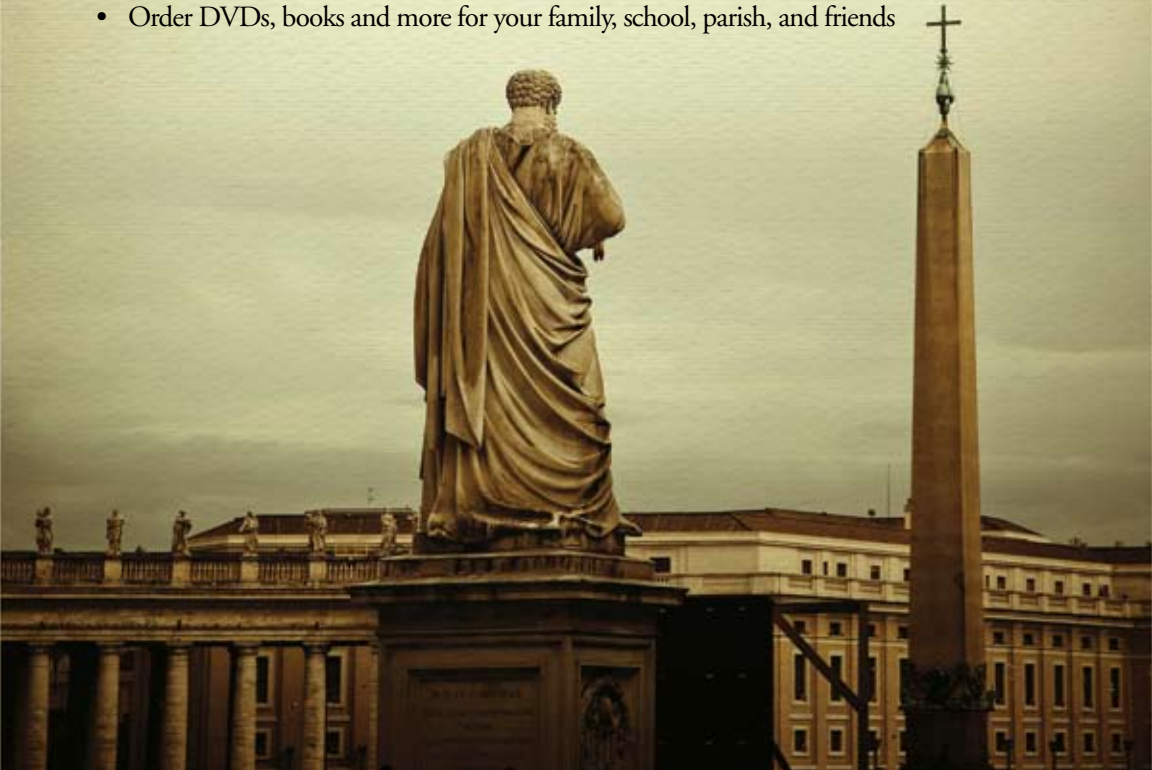

Fr. Barron is embarking on an urgent, constructive, and creative project to promote the Catholic faith and address the challenges the Church faces. The “Catholicism” documentary series is one of the most innovative efforts ever undertaken to explain the Catholic faith to a global audience.

- Landmark epic series for high-definition TV, radio, the Internet, DVDs and CDs
- A substantive and inspiring presentation of the Catholic faith
- Visits to Jerusalem, Rome, Lourdes, New York and many great Catholic sites
- Breathtaking art, architecture, music, literature, history and culture
- Global distribution in parishes, schools, homes, universities and retail outlets

To further ensure the highest production values, Fr. Barron tapped as technical advisor Mike Leonard, a 30-year veteran correspondent for NBC's Today show.
